## HOW TO GET IT

### Joint Electronic Commerce Program.....Continued

Notes: JECPO, initially formed in January 1998, is accelerating paperless processes in all DoD business areas. The office, organized under both Defense Logistics Agency (DLA) and the Defense Information Systems Agency (DISA), brings together experts from both DoD's business and technology arenas to build a partnership in electronic commerce. The use of electronic commerce is one of the "best business practices" identified in the Defense Reform Initiative announced by Secretary William Cohen last November to streamline the management and support structure of the Department of Defense.
